Stimulus C

ELI puts on a record. It's 'La Mer' sung by Charles Trenet.

OSKAR stands in her apartment. It's a drab apartment. It's even more bare than last time we saw it.

ELI: You like this music?

OSKAR: Yes. What does it mean?

ELI: It's saying nice things.

OSKAR: That old man who was here before. That wasn't your dad, was it?

ELI: No.

OSKAR: Was he also a. . . someone who – needs blood?

ELI: No.

OSKAR: And have you. . . how long have you been together?

ELI: A while.

Beat. OSKAR look around.

OSKAR: I thought you were rich.

ELI: I am rich.

OSKAR: Then why does this place look so – poor.

ELI thinks and then walks over to and takes a jewelled egg out of the trunk. She gives it to OSKAR.

ELI: What's it worth, do you think?

OSKAR: I don't know. What is it?

ELI: There are only two of them in the whole world. If you sold one you could buy yourself. . . a nuclear power plant, maybe.

OSKAR: Yes?

ELI: Well, I don't know, what does a nuclear power plant cost? Fifty million?

OSKAR: I think it would cost. . . billions. . .

ELI laughs.

Extract from *Let The Right One In* adapted by Jack Thorne
