Question 6

In this question an intellectual property case study will be read to you.

Follow the text below. **There will be no music played.**

Smar-Tee and 5K vs. Tunez

The Case: Smar-Tee's publishing company, 5K, filed a copyright infringement suit against the popular subscription streaming site, Tunez.

5K claimed that, although some of Smar-Tee's biggest hits had been streamed billions of times, Tunez had only paid royalties for a fraction of these streams.

In court, Tunez stated that royalties were sometimes paid into a temporary fund when the owner of a song could not be confirmed.
