Attempt ALL the questions in this part if you have studied **Origins**.

- |     |                                                                                                                     |   |
|-----|---------------------------------------------------------------------------------------------------------------------|---|
| 45. | What might scientists believe about the origin of the universe?                                                     | 5 |
| 46. | Describe <b>one</b> creation story.                                                                                 | 5 |
| 47. | <i>'Religious people should read creation stories literally.'</i><br>Do you agree? Give reasons for your answer.    | 4 |
| 48. | Explain the theory of evolution.                                                                                    | 5 |
| 49. | <i>'You need science <b>and</b> religion to understand origins.'</i><br>Do you agree? Give reasons for your answer. | 8 |

**Part B — The existence of God**

Attempt ALL the questions in this part if you have studied **The existence of God**.

- |     |                                                                                                                        |   |
|-----|------------------------------------------------------------------------------------------------------------------------|---|
| 50. | What might people believe about the nature of God?                                                                     | 5 |
| 51. | Explain Paley's teleological argument.                                                                                 | 5 |
| 52. | <i>'People should accept Paley's teleological argument.'</i><br>Do you agree? Give reasons for your answer.            | 4 |
| 53. | Explain the cosmological argument.                                                                                     | 5 |
| 54. | <i>'Science fully supports the arguments for the existence of God.'</i><br>Do you agree? Give reasons for your answer. | 8 |

**Part C — The problem of suffering and evil**

Attempt ALL the questions in this part if you have studied **The problem of suffering and evil**.

- |     |                                                                                                                           |   |
|-----|---------------------------------------------------------------------------------------------------------------------------|---|
| 55. | What might people believe about the nature of God?                                                                        | 5 |
| 56. | Explain one theodicy you have studied.                                                                                    | 5 |
| 57. | <i>‘Religious people should just accept suffering.’</i><br>Do you agree? Give reasons for your answer.                    | 4 |
| 58. | How might determinists explain suffering and evil?                                                                        | 5 |
| 59. | <i>‘Free will provides a complete explanation for suffering and evil.’</i><br>Do you agree? Give reasons for your answer. | 8 |

## Part D — Miracles

Attempt ALL the questions in this part if you have studied **Miracles**.

- |     |                                                                                                                      |   |
|-----|----------------------------------------------------------------------------------------------------------------------|---|
| 60. | What might people believe about divine intervention?                                                                 | 5 |
| 61. | Describe <b>one</b> healing miracle from scripture.                                                                  | 5 |
| 62. | <i>‘Religious people should read scriptural miracles literally.’</i><br>Do you agree? Give reasons for your answer.  | 4 |
| 63. | Explain what is meant by the laws of nature.                                                                         | 5 |
| 64. | <i>‘You need science <b>and</b> religion to understand miracles.’</i><br>Do you agree? Give reasons for your answer. | 8 |
